The Original Florida Pokers Baseball Organization

Dear Potential Sponsor,

We are the Original Florida Pokers Baseball Organization. Our program relies solely on monthly fees paid by the parents of the players accepted on the team as well as working with different sponsors to help in aiding in the costs incurred for such a travel program. We are based out of Coral Springs and North Lauderdale with players coming from across South Florida. We will be scheduling tournaments throughout the state of Florida as well as other states throughout our Spring and Summer seasons. To make all of this happen, we are asking for your help. We have several sponsorship packages available as listed on the next page.

Who are the Original Florida Pokers? We are the longest running travel baseball organization in the area. Started by Coach Mike Roberts in 1990 the Florida Pokers have grown over the years and have produced over 500 college baseball players as well as over 3 dozen MLB players with 8 currently playing in the professionally. 4 players alone from the Florida Pokers organization were selected in the 2021 MLB draft. Our organization is led by the most experienced coaches not only in the area but the country. Coach Todd Fitzgerald, currently Marjory Stoneman Douglas High School Coach, has three Florida state Championships, 3 National Titles and 3-time National Coach of the Year. Coach Von Stertzbach is a National Assistant Coach of the Year at Marjory Stoneman High School and was a 7th round pick of the Anaheim Angles in 2003.

The organization prides itself on playing highly competitive baseball and teaching life lessons on and off the field. Our mission statement is "Baseball is the Name.....Life Education is the Game". Our program is Nationally recognized by college coaches as one of the most respected travel programs in the country.

Your sponsorship goes a long way in helping our student-athletes continue their journey of accomplishing their goals of playing High School Baseball, College Baseball and beyond while receiving an education that will help them be successful both on and off the field. The Florida Pokers play in numerous Perfect Game tournaments throughout the year as well as the Cooperstown Tournament every summer.

The Original Florida Pokers are a 501-C3 Corporation. **The Club's EIN is 87-3673670.** Donors may deduct contributions as provided in section 170 of the IRS Code.

Thank you for your consideration of helping our players meet these dreams.

Sincerely,

Lenny Roberts, Owner
